### GENERAL:

Inner Range Integriti Security and Access Control Equipment is suitable for use in systems designed to comply with PD6662:2010 and EN50131-1:2006 + A1:2009

Part Number	Description	Security Grade	Environmental Class
INTG-996001EU	Integriti Security Controller	3	II
INTG-996005	Integriti 8 Zone LAN expander	3	II
INTG-996500	Integriti 8 Zone UniBus Expander	3	II
INTG-996091	Integriti 3A Intelligent Power Supply	3	II
INTG-996090	Integriti 2A Standard Power Supply	3	II
INTG-996000	Integriti Prisma Terminal	3	II
995000ML	Concept/Integriti Elite Multilingual Terminal	3	II
INTG-995201PEEU	Small Powered Enclosure (EUROPE)	3	II
INTG-995202PEEU	Medium Powered Enclosure (EUROPE)	3	II
INTG-995203PEEU	Extra Large Powered Enclosure (EU)	3	II
INTG-995204PEEU	Widebody Powered Enclosure (EU)	3	II
INTG-995220PEEU	Rack Drawer with 3A Smart Power Supply (EU)	3	II
995010	Concept/Integriti Weatherproof terminal	3	II
INTG-996010	Integriti UniBus Expander	3	II
INTG-996035EU	Integriti IAC Controller	3	II
INTG-996012	Integriti SLAM 2 Door Module	3	II
INTG-996018	Integriti Intelligent 2 Door Access Module	3	II
INTG-996535	Integriti 2Door/Reader Expander	3	II
INTG-994720	Sifer Reader	3	II

### CONTROL AND INDICATING EQUIPMENT (CIE)

Control and Indicating Equipment is compliant with EN50131-3:2012, as reconciled with PD6662:2010 by BSIA form 179.

### POWER SUPPLIES

Integriti Intelligent 3A Power Supplies and Integriti Standard 2A Power supplies conform to the requirements of EN50131-6:2012 at the grades shown above.

Yours for and on Behalf of  
Inner Range Europe Limited
